

PHEASANT RUN PROJECTS UPDATE

May 14, 2018

MESSAGE FROM THE COMMISSIONERS

The Lorain County Commissioners are providing this update as part of our continuing effort to keep the Pheasant Run residents informed regarding the sanitary sewer construction progress. We are pleased to be implementing an affordable solution to the wastewater treatment issues that PRA residents have been dealing with for years.

- *Commissioner Ted Kalo*
- *Commissioner Matt Lundy*
- *Commissioner Lori Kokoski*

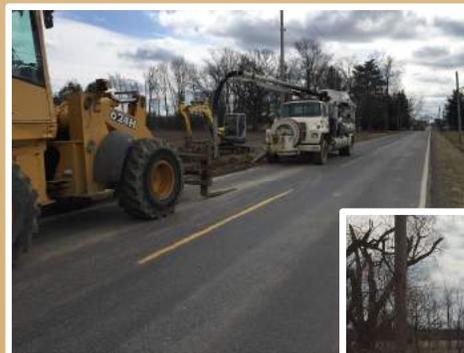

WORK COMPLETED

- Force Main and pump station structure installation is complete with the pumps scheduled to be installed in June.
- Final lining of the sanitary sewers along Pheasant Run Drive and East Lake Drive is scheduled to occur in June.
- 500 new water meters have been installed.

Sanitary Sewer Lining Process

Force Main Installation

PHEASANT RUN PROJECTS UPDATE

UPCOMING WORK

- Installation of the lift station near the wastewater treatment plant.
- Continue installation of the liners for the existing sanitary sewers within Pheasant Run.
- There are approximately 30 customers that need to schedule an installation appointment with the water meter Contractor. Please call the phone number listed on the notice to schedule your meter installation immediately to avoid the possibility of having to pay a private plumber to install the meter for you.
- Once the new lift station is operational, the existing PRA Wastewater treatment plant will be decommissioned and converted to wet weather equalization tanks.
