

**\$ 49,900**

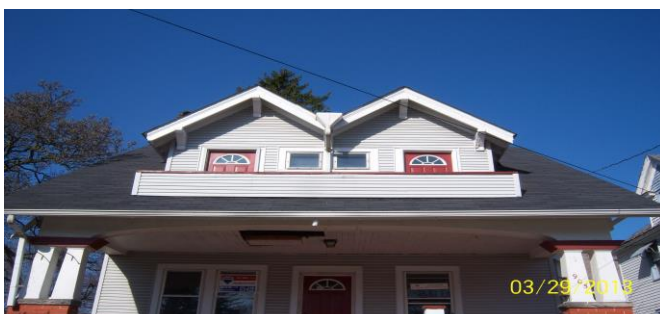

905 Middle Avenue  
Elyria, Ohio 44035

The City of Elyria proudly presents this renovated Turn Of The Century Home. Access the House by driving into the security of your garage located beneath the home! The House sports the charm of its original wood accents throughout. The dining room has its original window seat and leaded glass window; the living room a fireplace and features a wood stair case leading to the second floor. The Master Bedroom has two doors leading to the an airing/sleeping balcony, typical for a century home. Updates include the roof, high efficiency furnace, a/c, flooring and windows to name a few. The purchase of this home is subject to income limits and NSP guidelines. Call listing agents for additional details.
