## Narratives

### Summary of Distribution and Uses of NSP Funds:

Lorain County will also enter into sub-recipient agreements with the City of Elyria and the City of Lorain to address the housing stock. NSP3 funds will demolish blighted structures, land bank eligible properties, and rehabilitate housing. NSP3 funds will only be utilized in Identified target areas and support activities that will arrest further decline, remove destabilizing influences, and invest in housing that ensures the longest continued affordability. A total of eight (8) target areas have been identified for NSP

### How Fund Use Addresses Market Conditions:

Lorain County's housing stock remains to be in poor condition, particularly in the urban cities of Elyria and Lorain. There is an abundance of properties that have been foreclosed upon, left vacant, and/or abandoned. Numerous code violations continue to plague Lorain County's target areas, however due to the lack of funding; the properties have reached a point of disrepair. Within Lorain County's target areas, there are over 80 homes in the condemnation process, mostly in the urban communities. The County and Cities are offering rehabilitated units for sale first. Should the units not sell within 90 days, the properties will be made available for rent. Units targeted for rehabilitation are single family as these are the dominant type of housing within the target areas. Rents shall be affordable and will comply with HUD limits. Failure to sell to eligible families, properties will be made available to non-profits and/or developers with an ability to sell to a family in the future.

d and abandoned buildings in targeted areas. While there is a preference towards the sale of these properties for homeownership, the entities will ensure that the units are occupied by income eligible families through the first sale of home to an eligible family at or below the cost of the project in compliance with NSP 3 requirements or in the event of an inability to locate eligible home buyers, to provide the units to local non-profits to own and rent at the appropriate FMR to an income eligible family, or in the case that no local non-profits are able to acquire then the property will be made available to private investors. The development of these housing units may be completed using in house staff and contractors or a developer to deliver the project.

Demolition or Conversion of LMI Units: Does the grantee intend to demolish or convert any low- and moderate-income dwelling units (i.e., ? 80% of area median income)? Yes.

The number of low- and moderate-income dwelling units&mdashi.e., ? 80% of area median income&mdashreasonably expected to be demolished or converted as a direct result of NSP-assisted activities. 57

>The number of NSP affordable housing units made available to low-, moderate-, and middle-income households&mdashi.e., ? 120% of area median income&mdashreasonably expected to be produced by activity and income level as provided for in DRGR, by each NSP activity providing such housing (including a proposed time schedule for commencement and completion). 4

>The number of dwelling units reasonably expected to be made available for households whose income does not exceed 50 percent of area median income. 6

Citizen Participation Plan: The County in cooperation with the Cities of Elyria and Lorain posted the application on their respective web pages on February 11, 2011 for public review and comment. Additionally, public meetings were held at Lorain City Hall and Elyria City Hall respectively on February 24, 2011 and February 10, 2011.

The meetings were advertised in the newspaper and posted on the web pages. The advertisements solicited comments and informed the public of where the application could be viewed and how to submit comments.

>Summary of Public Comments Received. February 18, 2011: Pat Echko, Sheffield Township Fiscal Officer suggested we include another target area within Sheffield Township. The target area will cover the neighborhood within Broadway Ave., East 36th St., Elyria Ave., and North Ridge Rd. Ms. Echko also stated the identified target areas in Sheffield Township were good options for the NSP3. Response: Lorain County responded to Ms. Echko's request and included the additional target area for Sheffield Township.
