

# LORAIN COUNTY BOARD OF COMMISSIONERS

## RECEIPT

Addenda No. 4

To the Specifications for:

**LED/Static Highway Sign at the Lorain County Port Authority Complex**

We were told by the City of Elyria that the plans for the sign were destroyed in a flood many years ago. However – upon further investigation they were able to find a rendering of the sign (including information about the below ground structure) that were placed in a file after the flood that was not destroyed. That rendering is attached to this addendum.

Bids Due: January 13, 2016 at 2:00 p.m.

Bidder shall acknowledge receipt of this addendum by signature of authorized representative and return via email to [k Saunders@loraincounty.us](mailto:k Saunders@loraincounty.us).
