November 5, 2021

Dear Teacher,

The Lorain County Board of Commissioners are pleased to announce that America Recycles Day is coming up on November 15<sup>th</sup>. To celebrate this year, we are giving classrooms in Lorain County a chance to "Take the Pledge" to learn more about recycling in your community. **By having your class sign and return the attached pledge card, your class will be entered to win a pizza party!** We will be randomly choosing TWO winning classes again this year!!

America Recycles Day is nationally sponsored by Keep America Beautiful and locally sponsored by the Lorain County Board of Commissioners through Keep Lorain County Beautiful. For America Recycles Day, we encourage students to learn about what is recycled in their school and community, commit to recycling more and share the message of recycling with a family member or friend.

Please return the attached pledge sheet (or a copy) to our office by November 22, 2021. We will choose the winner via Facebook Live @lcsolidwaste. The winning teachers will choose which day to have their classroom pizza party. You may return the pledge sheets via email to: [bschnell@loraincounty.us](mailto:bschnell@loraincounty.us), fax them to (440) 329-5777 or mail them to:

Lorain County Solid Waste Mgmt. District
