You can make a difference.

Imagine if everyone shared litter prevention tips with friends and family.
It could make the world a cleaner place to live.

Fact:
If you tell 10 people and
they tell 10 people,
you can teach
110 people about litter.

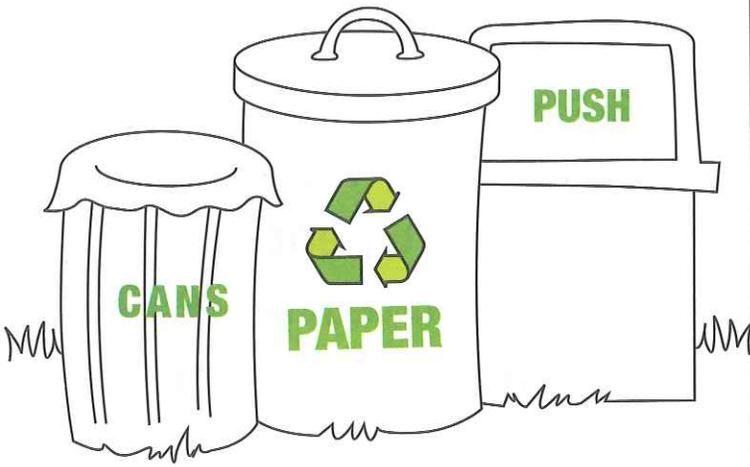

Tell 10 people
about litter prevention
and ask them
to tell 10.

Litter is a big problem and it is everyone's duty to prevent littering. One person can make a difference and that one person can be you.
