RESOLUTION NO. 14-620

In the matter of rejecting bids received for the)
Butternut Ridge Road Resurfacing Project)

September 24, 2014

WHEREAS, Ken Carney, Lorain County Engineer, by letter dated September 10, 2014 submitted the following:

“We request that the bids received for the Butternut Ridge Road Resurfacing project on August 5, 2014 in Carlisle Township be rejected and that the project be re-advertised later in the year with construction in 2015. Our office had requested that NOACA increase the federal funding on the project which we expected would be approved in a timely manner to allow the project to proceed this year.

We believe that we will get the requested funding but it would be too late to construct the project before the weather breaks. We also are of the opinion that obtaining bids in the fall for next year’s construction could result in more favorable pricing on the project.

We thank you for your cooperation, on this project. “;

NOW, THEREFORE, BE IT RESOLVED by the Board of Lorain County Commissioners, that based upon the recommendation from the Lorain County Engineer in letter dated September 10, 2014 we do hereby reject bids received on August 5, 2014 for the Butternut Ridge Road Resurfacing Project and will re-advertise later in 2014 with construction in 2015 to allow the project to proceed in a timely manner.

Motion by Kalo, seconded by Kokoski to approve the resolution. Upon roll call the vote taken thereon, resulted as: Ayes: All

Motion carried.

I, Theresa L. Upton, Clerk to the Lorain County Board of Commissioners do hereby certify that the above Resolution No. 14-620 is a true copy as it appears in Journal No. 14 on date of September 24, 2014.

Theresa L. Upton, Clerk
