 \$289,111.00 )

WHEREAS, Ken Carney, Lorain County Engineer by letter dated June 27, 2014 submitted the following:

“Sealed bids were received for the Pyle South Amherst Road Bridge #0014 Replacement on June 24, 2014. The respondents to this bid are as follows:

Senghas Construction	\$286,766.55
Denes Concrete	\$289,111.00
DOT Construction	\$386,426.85
Schirmer Construction	\$417,556.15

After reviewing the bids along with the required bidding documents, the Lorain County Engineer's Office has determined that Senghas Construction failed to complete the bid proposal as required in the Instruction to Bidders. In particular, they failed to include the material and labor prices in their bid. Consequently, the engineer's office has determined that Denes Concrete is the lowest and most responsive bidder.

Denes Concrete, Wellington, Ohio agrees to commence work on or before September 1, 2014 and to complete the project on or before November 7, 2014. They have proposed no substitutions. Subcontractors as listed include Protection Services Inc. for traffic control and PS Construction Fabrics for waterproofing.

At this time, Lorain County Engineer Ken Carney is requesting that this bid be awarded to Denes Concrete, Wellington, Ohio in the amount of \$289,111.00. The engineer's estimate for this project was \$316,000.00. 74% of the funding for this project is being provided through a grant from the Ohio Public Works Commission with the balance being shared equally between the City of Oberlin and the Lorain County Engineer's Office. Funding from the engineer's office will be from the MVGT fund, Engineering Projects Bridge Account #2580-0000-300- 302-04-6100-6105. Additionally, approval for this project will be required from the Ohio Public Works Commission and the Board will be notified at that time so that the contract documents can be execute

Thank you for your consideration and please feel free to contact this office if you should have any additional questions or comments.”;
